Gentry Studio/John's Camera Corner is proud to offer custom wedding photography, tailored to your needs. Our professional photographer will preserve your precious memories with candid as well as formal photographs.

Our basic package includes 3 hours of coverage for \$850. You will receive a minimum of 200 (4" x 6") photographs in an album, plus a low resolution viewing CD.

If you need additional coverage, we will be available for \$ 150 per hour. Each photographer does only one wedding per day, so extra coverage is never a problem.

We do retain copyright on our photographs, with reprints & enlargements available. As a popular option, a high resolution CD, print-ready & with copyright, is available for an additional \$350.

Limited coverage is also available. One hour coverage is \$350. Two hours coverage is \$600.
